**JOINT STIPULATION OF
SETTLEMENT AND RELEASE**

----- x
THE PARTIES STIPULATE AND AGREE as follows:

This Joint Stipulation of Settlement and Release ("Stipulation of Settlement" or "Settlement") is made and entered into on December 11, 2008, by and between named Plaintiffs Adrienne Bricker and Anthony Baclaan, individually and on behalf of the class they represent ("Plaintiffs" or "Class Representatives") and Defendants Planet Hollywood New York, L.P. and All Star Café (New York) Inc., its parent corporations, subsidiaries, predecessors or successors, affiliated entities and all agents, employees, officers, directors and attorneys thereof

(“Defendants” or “Planet Hollywood”), and is subject to the terms and conditions hereof and the approval of and confirmation by the Court. Plaintiffs and Defendants may be referred to collectively as “the Parties.”

1. On January 17, 2008, Plaintiffs filed a collective action and a class action Complaint in the Southern District of New York, Case Number 08 cv 443 (the “Lawsuit”), captioned *Adrienne Bricker and Anthony Baclaan, on behalf of themselves and all others similarly situated v. Planet Hollywood New York, L.P.* On March 5, 2008, Plaintiffs filed an Amended Complaint adding as a Defendant All Star Café (New York) Inc. The Lawsuit alleged, *inter alia*, that Plaintiffs and other employees who worked at Defendants’ restaurant from January 17, 2002 through January 17, 2008 were deprived of wages for all hours worked, were not paid the federal and New York state minimum wage for all hours worked, were not paid overtime for hours worked in excess of forty (40) per workweek, were subject to illegal pay deductions and were not paid New York’s “spread of hours” premiums for workdays in which they worked more than ten (10) hours. The Lawsuit sought, among other things, unpaid wages, restoration of tips, restitution, penalties, prejudgment interest, liquidated damages, post-judgment interest, and attorneys’ fees and costs.

2. For purposes of this Stipulation of Settlement, there shall be one “Settlement Class.” The Settlement Class shall be defined as follows:

“All persons who were employed by Defendants from January 17, 2002 through October 13, 2008 as tipped employees.”

The periods specified above, and inclusive, may be referred to as the “Class Period.”

3. On May 19, 2008, the Parties stipulated and agreed that the Lawsuit proceed as a collective action under 29 U.S.C. § 216(b).

4. Solely for the purposes of settling the Lawsuit, the Parties conditionally stipulate and agree that the requisites for establishing class certification with respect to the Settlement Class have been met and are met, and therefore, for purposes of effectuating this Stipulation of Settlement, the Parties stipulate to class certification. More specifically, for purposes of this settlement, the Parties conditionally stipulate and agree that:

a. The Settlement Class is so numerous as to make it impracticable to join all Settlement Class members.

b. There is an ascertainable Settlement Class.

c. Common questions of law and fact exist.

d. Plaintiffs' claims are typical of the claims of the members of the Settlement Class.

e. D. Maimon Kirschenbaum, Esq. and Charles Joseph, Esq. of Joseph & Herzfeld LLP, 757 Third Avenue, 25th Floor, New York, New York 10017 and Richard J. Burch of Bruckner Burch PLLC, 1415 Louisiana Street, Suite 2125, Houston, Texas 77002 shall be deemed "Class Counsel" and have and will fairly and adequately protect the interests of the Settlement Class.

f. The prosecution of separate actions by individual members of the Settlement Class would create the risk of inconsistent or varying adjudications which would establish incompatible standards of conduct.

g. Questions of law and fact common to the members of the Settlement Class predominate over questions affecting individual members of the Settlement Class and a class action is superior to other available means for the fair and efficient adjudication of the controversy.

5. Beginning in May of 2008, the Parties engaged in settlement discussions. In order to facilitate meaningful settlement discussions, the Parties interviewed tens of witnesses and exchanged and analyzed thousands of documents pertinent to the claims in this Lawsuit. On or about October 13, 2008, the Parties reached a settlement in principal. Following the

settlement in principal, the Parties continued to discuss the details and various aspects of the Settlement. On December __, 2008, the Parties agreed on this detailed Settlement, subject to approval and confirmation by the Court. The Parties now are entering into a detailed, formalized settlement agreement to submit to the Court for preliminary and final approval.

6. If, for any reason, the Court does not grant final approval of the Settlement, the stipulation of class certification shall be void *ab initio*. Defendants expressly reserve their right to oppose class certification should the Settlement not become final. Neither this Stipulation of Settlement, nor any ancillary documents, actions, statements or filings in furtherance of settlement shall be admissible or offered into evidence in the Lawsuit or any other action for any purpose whatsoever.

7. Defendants deny any liability or wrongdoing of any kind whatsoever associated with the claims alleged in the Lawsuit, and further deny that, for any purpose other than settling this Lawsuit, the action is appropriate for class or other representative treatment. Defendants deny, among other things, that they unlawfully denied Plaintiffs any tips to which they were entitled, deprived Plaintiffs of wages for all hours worked, did not pay Plaintiffs the federal and New York state minimum wage for all hours worked, did not pay Plaintiffs overtime for hours worked in excess of forty (40) per workweek, subjected Plaintiffs to illegal pay deductions and did not pay Plaintiffs New York's "spread of hours" premiums for workdays in which they worked more than ten (10) hours. Defendants contend, among other things, that they have complied at all times with the Fair Labor Standards Act and New York Labor Law. Plaintiffs, on the other hand, believe the Lawsuit is meritorious.

8. Defendants have conducted an investigation into the allegations raised by the Plaintiffs in the Lawsuit and evaluated the information elicited through its investigation and have concluded that, despite their good faith belief that they are not liable for any of the claims asserted in the Lawsuit and have good defenses to those claims, they will enter into this Settlement to obtain the conclusive and complete dismissal of the Lawsuit, and to avoid: (i) the

further expense, inconvenience and burden of this litigation, (ii) the distraction and diversion of its personnel and resources, and (iii) the risk and uncertainty of the outcome inherent in any litigation. Defendants are willing to enter into this Settlement as a means to resolve fully all claims related to the allegations in the Lawsuit.

9. Plaintiffs and Class Counsel have performed a thorough study of the law and facts relating to the claims asserted in the Lawsuit and have concluded, based upon their investigation and extensive informal discovery, and taking into account the sharply contested, complex issues, the expense and time necessary to pursue the action through the appeal and further litigation, the risks and costs of further prosecution of the Lawsuit, the uncertainties of the appeal and complex litigation, and the substantial benefits to the members of the Settlement Class, that a settlement with Defendants on the terms set forth herein is fair, reasonable, adequate and in the best interests of the Settlement Class. Plaintiffs, on their own behalf and on behalf of each Settlement Class member, have agreed to settle the Lawsuit on the terms set forth herein.

10. It is the desire of the Parties to fully, finally, and forever settle, compromise, and discharge all disputes and claims which exist between Defendants and the Settlement Class based on, arising out of, or directly related to the causes of action alleged in the Lawsuit, referred to herein as the "Released Claims" and as defined in Paragraph 17 below. In order to achieve a full and complete release of Defendants (and the Releasees as defined in Paragraph 17 below) of such disputes and claims, each Settlement Class member (which includes any legal heirs and/or successors-in-interest of each Settlement Class member), through execution of the Stipulation of Settlement by the Class Representatives, acknowledges that this Stipulation of Settlement is intended to include in its effect all claims covered by the release applicable to the Settlement Class, all as more fully defined in Paragraph 17 below.

11. The Parties agree to cooperate and take all necessary and appropriate steps to dismiss the Lawsuit with prejudice.

12. The maximum total payment under the Settlement, including all attorneys' fees and costs, the enhancement fees to the Class Representatives, interest and any other payments

provided by this Settlement (including the costs of administering the Settlement), is Nine Hundred Thousand Dollars and no cents (\$900,000.00). Defendants shall pay the employer portion of government-mandated withholdings, which amount shall not be included in, but will be in addition to, the maximum total payout.

TERMS OF SETTLEMENT

13. In consideration of the mutual covenants, promises and agreements set forth herein, the Parties agree, subject to the Court's approval, as follows:

a. It is agreed by and among Plaintiffs and Defendants that the Lawsuit, and any claims, damages, or causes of action arising out of or related to the dispute, whether asserted or not, which are the subject of the Lawsuit, be settled and compromised as between the Settlement Class and Defendants, subject to the terms and conditions set forth in this Stipulation of Settlement and the approval of the Court.

b. Effective Date: The "Effective Date" is the date on which this Agreement becomes effective, which shall mean fifteen (15) days following entry of final order by the Court approving this Agreement if no objections are filed to the settlement. If objections are filed and overruled, and no appeal is taken of the final approval order, then the Effective Date of final approval shall be fifteen (15) days after the appeal is withdrawn or after an appellate decision affirming the final approval decision becomes final.

c. Settlement Payment Date: Defendants shall make all payments due under this Agreement on or before the later of (a) fifteen (15) days following the Effective Date, or (b) April 13, 2009.

d. Settlement Payments: Net Settlement Amount ("NSA") shall be calculated by deducting from Defendants' maximum total payment of Nine Hundred Thousand Dollars and no cents (\$900,000.00) the sums set forth below as the anticipated payments under this Settlement

for attorneys' fees and past, present and future costs; the Class Representatives' Enhancement Fee (as set forth in subsection (v) below), and all costs of administration.

i. Net Settlement Amount Payments: The settlement payments to the Settlement Class members who do not opt-out of this Settlement ("Qualified Class Members") will be designated as payments for lost compensation, and other losses and/or penalties on a claims-made basis related to any and all claims or causes of action, whether known or unknown, which have been or could have been asserted against the Releasees (as defined in Paragraph 17, below), or any of them, under any federal, state or local law, the allegations made in the Lawsuit, including, but not limited to, the purported non-payment of compensation or withholding of tips, or other relief requested or which could have been requested in the Lawsuit.

Class Counsel will handle administration of the settlement, subject to oversight and spot-checks as deemed necessary by Defendants' Counsel. All costs of administration of the settlement shall be paid by Class Counsel. Duties of administration of the settlement shall include, without limitation, mailing notices, performing address updates and verifications as necessary prior to the first mailing, mailing deficiency letters (if any), performing one skip trace on any returned mail, and the calculation, processing, and mailing of all Qualified Class Member settlement checks and tax forms (including Forms W-2 and 1099) to Qualified Class Members and tax authorities.

The NSA Payments shall be calculated as follows:

Each Qualified Class Member will receive, subject to the terms and conditions of this Agreement, an Individual Settlement Amount (less applicable payroll deductions) for every week s/he worked for Defendants during the Recovery Period. The Individual Settlement Amount shall be calculated in the following three steps: (1) the NSA shall be divided by the aggregate number of weeks worked by all of the Class Members individually during the Recovery Period ("Weekly Recovery Amount"); (2) for each Qualified Class Member, the number of weeks the Qualified Class Member worked for Defendants during the Recovery Period shall be multiplied

by the Weekly Recovery Amount; and (3) Defendants will then subtract applicable payroll deductions from such amounts.

Class Counsel will be responsible for mailing a check to each Qualified Class Member in the value of that Qualified Class Member's claim, less any applicable withholdings that are not to be borne by Defendants. Defendants are not required under this settlement to make any further proceeds available from the NSA.

Defendants will deliver to Class Counsel the NSA Payments as set forth in Paragraph 13(c) above.

ii. Allocation Of Net Settlement Amount Payments: The Parties have determined that the NSA Payments will be treated as earnings subject to IRS Form W-2 reporting and, therefore, normal payroll taxes and withholdings will be deducted pursuant to state and federal law and Defendants will make all required contributions. Defendants shall be responsible for preparing all IRS Forms W-2, and, where applicable, IRS Forms 1099. Class Counsel shall be responsible for preparing all notices, mailings, claims and administration in accordance with this Stipulation of Settlement. Qualified Class Members receiving NSA Payments assume full responsibility for the payment of any and all federal, state and local taxes which may hereafter be imposed or required to be paid by them under any federal, state or local tax laws of any kind, with respect to the monies paid by Defendants in accordance with this Settlement Agreement between the Parties. Further, Qualified Class Members receiving NSA payments agree to indemnify Defendants for any liability incurred as the direct result of their failure to pay any applicable taxes due in connection with the amounts paid hereunder. Class Counsel and Defendants' Counsel do not intend this Stipulation of Settlement to constitute legal advice. To the extent that this Stipulation of Settlement, or any of its attachments, is interpreted to contain or constitute advice regarding any federal, state or local tax issue, such advice is not intended or written to be used, and cannot be used, by any person for the purpose of avoiding any tax liability or penalties.

iii. Settlement Payments Do Not Trigger Additional Benefits: All NSA Payments to Qualified Class Members shall be deemed to be paid to such Qualified Class Members solely in the year in which such payments actually are received by the Qualified Class Members. It is expressly understood and agreed that the receipt of such Settlement Payments will not entitle any Qualified Class Member to additional compensation or benefits under any company bonus, contest, or other compensation or benefit plan or agreement in place during the period covered by the Settlement, nor will it entitle any Qualified Class Member to any increased retirement, 401(k) benefits or matching benefits, or deferred compensation benefits. It is the intent of this Settlement that the NSA Payments provided for in this Stipulation of Settlement are the sole payments to be made to the Qualified Class Members, and that the Qualified Class Members are not entitled to any new or additional compensation or benefits as a result of having received the NSA Payments (notwithstanding any contrary language or agreement in any benefit or compensation plan document that might have been in effect during the period covered by this Settlement).

iv. Attorneys' Fees and Costs: Subject to Court approval and/or modification, Defendants further agree to pay attorneys' fees and past, present and future costs as set forth in Paragraph 15 below as part of Defendants' maximum payment amount.

v. Class Representative Enhancement Fee: Subject to Court approval, and as part of Defendants' maximum payment amount (as described in Paragraph 13(d) above), Defendants further agree to pay Class Representative Anthony Baclaan an enhancement fee of Seven Thousand Five Hundred Dollars and no cents (\$7,500.00), and Class Representative Adrienne Bricker an enhancement fee of Five Thousand Dollars and no cents (\$5,000.00), for their services as Class Representatives (the "Enhancement Fees"). These payments are in addition to the claim share to which the Class Representatives are entitled along with other claiming Qualified Class Members.

vi. Defendants will issue IRS Forms 1099 for the Enhancement Fees to the Class Representatives, and the Class Representatives will be responsible for correctly

characterizing the payment for tax purposes and for paying any taxes due on the amounts received. The Class Representatives agree to pay all taxes due on the Enhancement Fees. Defendants will pay the Enhancement Fees on or before the date set forth in Paragraph 13(c) above.

vii. Mailing Of Settlement Payments: Class Counsel shall cause the NSA Payments and all Enhancement Fees to be mailed to the Qualified Class Members within approximately Ten (10) calendar days after Defendants deliver payment to Class Counsel.

viii. Qualified Class Members will have Ninety (90) calendar days after mailing by the Defendants' Counsel to cash their settlement payments. If Qualified Class Members do not cash their settlement payment checks within the 90 day period, their settlement checks will be void and a stop-payment will be placed. In such event, Defendants will wait another Two Hundred and Seventy Five (275) days for the Settlement Class Member to request a replacement check. All uncashed settlement payments shall be returned to Defendants.

e. Resolution of Disputes: In the event a Class Member disputes the number of weeks worked for which he or she is entitled to receive credit under the Settlement, Class Counsel shall forward said dispute to Defendants' counsel and Defendants, who will seek to resolve the dispute. Defendants' regularly maintained business records shall be deemed to control in the event of such a dispute. The Class Member must submit information or documents supporting his or her position Ten (10) days before the Fairness Hearing is scheduled. Information or documents submitted after Ten (10) days will not be considered, unless otherwise agreed to by the Parties. In no event shall any payment paid pursuant to a dispute resolution increase Defendants' maximum total payment, as set forth in Paragraph 13(d) above.

f. Right to Rescission:

i. If the total number of Class Members who opt-out of the Settlement Class exceeds Fifteen Percent (15%) of the total number of Class Members, Defendants shall have the

right in their sole discretion to rescind and void the Settlement at any time prior to final approval by the Court by giving written notice to Class Counsel.

ii. In the event that the Court does not approve the Settlement, and the basis for the Court's disapproval of the Settlement does not involve a material term of this Stipulation of Settlement, the Parties shall make good faith efforts to modify this Stipulation of Settlement so as to gain the Court's approval. In the event that the Court issues an order preliminarily or finally approving the Settlement in a form materially different from this Stipulation of Settlement, the Parties shall each have Ten (10) days to withdraw from the Settlement, which may be exercised immediately upon submission of written notice to the other Party and filing with the Court. If either Party chooses to exercise the right to withdraw as set forth in this paragraph, the Settlement shall be null and void for all purposes, and the Parties shall be restored, without prejudice, to their respective pre-settlement litigation positions.

CLAIMS ADMINISTRATION

14. Class Counsel will send out to the Class Members the Notice of Pendency of Class Action and Proposed Settlement. Defendants will issue NSA Payments in accordance with this Stipulation of Settlement and deliver the NSA Payments to Class Counsel. Class Counsel will send out NSA Payments to Class Members in accordance with this Stipulation of Settlement. All disputes relating to Class Counsel's performance of its duties shall be referred to the Court, if necessary, which shall have continuing jurisdiction over the terms and conditions of this Settlement until all payments and obligations contemplated by this Stipulation of Settlement have been fully carried out.

ATTORNEYS' FEES AND COSTS

15. Subject to paragraph 12 above, and in consideration for settling these matters and in exchange for the release of all claims by the Settlement Class, and subject to final approval

and/or modification by the Court, Defendants agree not to oppose an award by the Court of Class Counsel attorneys' fees and costs (which includes all past, present and future costs and expenses incurred by Class Counsel in prosecuting Plaintiffs' claims in the Lawsuit) in the total amount of 33.33% of the maximum total payment (after deduction of costs, detailed below) under the Settlement, or \$300,000.00. The attorneys' fees are to compensate Class Counsel for all the work already performed in the Lawsuit, and all the work remaining to be performed in documenting the Settlement, securing Court approval of the Settlement, making sure the Settlement is fairly administered and implemented, and obtaining dismissal with prejudice of the Lawsuit. The attorneys' fees and costs approved by the Court shall be paid to Class Counsel on or before the date set forth in Paragraph 13(c) above. Defendants shall issue one (or more) IRS Form 1099(s) to Class Counsel reflecting the payment of such attorneys' fees and costs. Class Counsel agrees to provide Defendants with an IRS Form W-9 to facilitate such payment(s).

NOTICE TO THE CLASS

16. A Notice of Class Action and Proposed Settlement ("Notice") approved by the Court shall be sent by Class Counsel to the Class Members by first class mail. A copy of the Proposed Notice, with a proposed cover letter agreed upon by the Parties, is attached hereto as Exhibit A. Any returned envelopes from these mailings with forwarding addresses will be utilized by Class Counsel to forward the Notice to the Class Members.

a. Within Ten (10) days of the date that the Court grants preliminary approval of this Settlement, Defendants shall provide to Class Counsel a database, which will list each Class Member's name, last known address, social security number and the amount of workweeks each Class Member worked during the Class Period. Class Counsel agrees to use this data solely for the purposes of effectuating this Settlement and will comply with all state and federal laws that protect the privacy of Defendants' current and former employees. This database shall be based on Defendants' payroll and other business records. Class Counsel agrees to consult with

Defendants prior to the production date to ensure that the format will be acceptable. Class Counsel will, if necessary, run a check of the Class Members' addresses against those on file with the United States Postal Service's National Change of Address List; this check will be performed only once per Class Member. Within Ten (10) calendar days after the database is provided to Class Counsel, Class Counsel will mail the Notice to the Class Members.

b. Class Members may opt out of, or exclude themselves from, the Settlement Class under Federal Rule Civil Procedure 23 by mailing to the Class Counsel a written statement expressing their desire to be excluded from the class. The statement must include their name (and former name), current address, telephone number, social security number, and the dates of employment with Defendants. Any such written exclusion must be post-marked not more than Forty Five (45) calendar days after the date Class Notice is mailed to the Settlement Class and a copy of all written exclusions must also be sent to Defendants' counsel. Written exclusions that do not include all required information, or that are not submitted on a timely basis, will be deemed null, void, and ineffective. Persons who are eligible to and do submit valid and timely exclusion statements will not participate in the Settlement, nor will they be bound by the terms of the proposed settlement, if it is approved, or the final judgment in this action. Any Class Member who fails to exclude him/herself from the Settlement pursuant to this Paragraph will become a Plaintiff and designates the Class Representatives as their representative to make decisions on their behalf concerning their state wage claims. Any Class Member who fails to exclude him/herself from the settlement will be deemed a participant whose rights and claims are determined by the terms of this Agreement, including the release provisions of the Agreement, as approved or modified by the Court. Settlement Class Members shall be permitted to rescind their exclusion statements in writing by submitting a rescission statement to Class Counsel and Defendants' Counsel not later than one (1) business day prior to the Court's final approval hearing or as otherwise ordered by the Court.

c. Notices returned to Class Counsel as non-delivered during the Forty-Five (45) day period for filing claims shall be resent within Seven (7) days to the forwarding address, if any, on

the returned envelope. Class Counsel will resend a returned Notice to a forwarding address only one time per Class Member. If there is no forwarding address, Class Counsel may do a computer search for a new address using the Class Member's social security number; this search will be performed only once per Class Member. Upon completion of these steps by Class Counsel, the Parties shall be deemed to have satisfied their obligation to provide the Notice to that Class Member and the member shall be bound by all the terms of the Stipulation of Settlement and the Court's order and final judgment.

e. Class Members who wish to object to this settlement must do so in writing or appear in person at the final approval and fairness hearing. Those who wish to object in writing must state the basis of the objection and mail the objection to Class Counsel and Defendants' Counsel postmarked on or before Forty Five (45) calendar days after the date Class Notices are mailed to the Class Members. Class Members shall be permitted to withdraw their objections in writing by submitting a withdrawal statement to Class Counsel and Defendants' Counsel not later than one (1) business day prior to the Court's final approval hearing, or otherwise ordered by the Court.

RELEASE BY THE NAMED PLAINTIFFS AND THE CLASS

17. Upon the final approval by the Court of this Stipulation of Settlement, and except as to such rights or claims as may be created by this Stipulation of Settlement, the Settlement Class and each Qualified Class Member, on their behalf, and on behalf of their respective current, former and future heirs, spouses, executors, administrators, agents, and attorneys, fully releases and discharges Planet Hollywood New York, L.P. and All Star Café (New York) Inc. and each of its present and former parent companies, subsidiaries, related or affiliated companies, shareholders, officers, directors, employees, members, managers, co-joint venture, employees, fiduciaries, trustees, employee benefit plan administrators, agents, attorneys, insurers, successors and assigns, and all persons or entities acting by, through, under or in

concert with any of them, and any individual or entity which could be jointly liable with any of them, (“Releasees”) from any and all claims, debts, losses, demands, obligations, liabilities, causes of action, charges, grievances, complaints or suits of any type or nature which relate to the nonpayment or inaccurate payment of tips and wages under any federal, state or local law, including but not limited to New York and Federal law (29 U.S.C. § 201, *et. seq.*, New York Labor Law §§ 191,193, 196-d,198-b, 650, *et. seq.*, 652, and 663 and relevant sections of N.Y. Comp. Codes R. & Regs) and any other claims whatsoever alleged in the Lawsuit and all wage and hour or tip claims which could have been alleged in the Lawsuit or otherwise, including without limitation all claims for restitution and other equitable relief, liquidated damages, compensatory damages, punitive damages, wages, tips, penalties of any nature whatsoever, other compensation or benefits, including 401(k) benefits or matching benefits, retirement or deferred compensation benefits claims on account of unpaid wages, tips, overtime, and/or other compensation, attorneys’ fees and costs, whether known or unknown, to the date of the Court’s order granting final approval of this Settlement, arising from the Class Members’ employment by Defendants. In addition, all Qualified Class Members forever agree that they, and each of them, shall not institute, nor accept any other relief from, any other suit, class or collective action, administrative claim or other claim of any sort or nature whatsoever against Defendants, relating to the claims being settled herein for any period up to and including the date of the Court’s order granting final approval of this Settlement.

The Class Representatives further agree, in consideration of the Enhancement Fees and other good and valuable consideration, to execute separate general release agreements, forever releasing and discharging all claims, whether known or unknown, they may have against Defendants.

18. The Qualified Class Members expressly waive any claim or right to assert hereafter that any claim, demand, obligation, and/or cause of action that has, through ignorance, oversight, or error, been omitted from the terms of this Agreement.

19. The Defendants shall be entitled to insert language on the back of each check issued to Qualified Class Members that indicates that by depositing such checks, the Qualified Class Member agrees that he/she has consented to participate in the Lawsuit, and has been paid in full for any and all FLSA and New York State Labor Law wage and hour and/or tips-related claims he/she may or might have had against Defendants.

DUTIES OF THE PARTIES PRIOR TO COURT APPROVAL

20. The Parties shall promptly submit this Stipulation of Settlement to the Court in support of Plaintiffs' motion for preliminary approval and determination by the Court as to its fairness, adequacy, and reasonableness. Promptly upon execution of this Stipulation of Settlement, the Parties will in good faith stipulate to and seek dismissal of the Lawsuit filed by Plaintiffs in the Southern District of New York (Case No.: 08 cv 443). Class Counsel shall apply to the Court for the entry of an order substantially in the following form:

- a. Scheduling a final approval hearing on the question of whether the Settlement, including payment of attorneys' fees and costs, and the Class Representatives' Enhancement Fees should be finally approved as fair, reasonable and adequate as to the members of the Settlement Class;
- b. Approving as to form and content the proposed Notice;
- c. Approving as to form and content the proposed Request for Exclusion From Class Action Settlement form;
- d. Directing the mailing of the Notice of Pendency of Class Action and Proposed Settlement, and providing the Class Members an opportunity to submit a request to be excluded from the settlement by first class mail to the Class Members;
- e. Preliminarily approving the Settlement subject only to the objections of Class Members and final review by the Court;
- f. Preliminarily approving costs of administration; and
- g. Enjoining Plaintiffs and all Class Members from filing or prosecuting any claims, suits or administrative proceedings (including filing claims with the New York Department of Labor) regarding claims released by the Settlement unless and until such Class Members have filed valid Request for Exclusion From Class Action Settlement forms with the Claims Administrator and the time for filing claims with the Claims Administrator has elapsed.

DUTIES OF THE PARTIES RELATING TO FINAL APPROVAL

21. On or before the date that is Seven (7) days before the final approval hearing, Class Counsel shall move the Court for final approval of the settlement provided for in this Agreement, together with a proposed final order agreed to by the Parties:
 - a. Approving the Settlement, adjudging the terms thereof to be fair, reasonable and adequate, and directing consummation of its terms and provisions;

- b. Approving Class Counsel's application for an award of attorneys' fees and reimbursement of costs;
- c. Approving the Enhancement Awards in accordance with this Agreement; and
- d. Dismissing this action on the merits with prejudice and permanently barring all members of the Settlement Class from prosecuting against Defendants and the Releasees, any individual or class claims that were or could have been asserted in the Lawsuit, including without limitation any claims arising out of the acts, facts, transactions, occurrences, representations, or omissions set forth in the Complaint in this action; and, through the date of the final approval of this Settlement upon satisfaction of all payments and obligations hereunder.

PARTIES' AUTHORITY

22. The signatories hereto hereby represent that they are fully authorized to enter into this Stipulation of Settlement and bind the Parties hereto, and upon the Court's order granting final approval of this Settlement the Class Members, to the terms and conditions thereof.

MUTUAL FULL COOPERATION

23. The Parties agree to fully cooperate with each other to accomplish the terms of this Stipulation of Settlement, including but not limited to, execution of such documents and taking such other action as reasonably may be necessary to implement the terms of this Stipulation of Settlement. The Parties to this Stipulation of Settlement shall use their best efforts, including all efforts contemplated by this Stipulation of Settlement and any other efforts that may become necessary by order of the Court, or otherwise, to effectuate this Stipulation of Settlement and the terms set forth herein. As soon as practicable after execution of this Stipulation of Settlement, Class Counsel shall, with the assistance and cooperation of Defendants

and its counsel, take all necessary steps to secure the Court's final approval of this Stipulation of Settlement.

24. Defendants and its counsel agree that they will not attempt to discourage Class Members from requesting to be excluded from this Class Action Settlement. It is understood that Class Counsel may provide legal advice and counsel only to those Class Members who initiate and seek such advice from Class Counsel. Class Counsel will not initiate contact with Class Members for purposes of encouraging Class Members to participate in this Settlement or encouraging them to opt-out.

NO PRIOR ASSIGNMENTS

25. The Parties and their counsel represent, covenant, and warrant that they have not directly or indirectly, assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action or rights herein released and discharged except as set forth herein.

NO ADMISSION

26. Nothing contained herein, nor the consummation of this Stipulation of Settlement, is to be construed or deemed an admission of liability, culpability, negligence, or wrongdoing on the part of Defendants or any of the Releasees. The Parties have entered into this Stipulation of Settlement solely with the intention to avoid further disputes and litigation with the attendant inconvenience and expense.

ENFORCEMENT ACTIONS

27. In the event that one or more parties to this Stipulation of Settlement institutes a legal action or other proceeding against any other party or parties to enforce the provisions of this Stipulation of Settlement or to declare rights and/or obligations under this Stipulation of

Settlement, the successful party or parties shall be entitled to recover from the unsuccessful party or parties reasonable attorneys' fees and costs, including expert witness fees incurred in connection with any enforcement actions.

INTRODUCTION

A collective/class action was brought against Defendants which raises claims of alleged unpaid wages and/or overtime compensation, misappropriation of certain tips, and other alleged unlawful compensation practices. The parties to the lawsuit reached a settlement which has been granted preliminary approval by the United States District Court for the Southern District of New York. This Notice informs you about your rights and options under the settlement.

If finally approved, the proposed settlement will resolve all claims alleged in this lawsuit, including but not limited to any claims for any unpaid wages, overtime and/or tips under state and federal law and interest and/or penalties. A hearing will be held _____ at ____:00 ____ a.m. before the Honorable William H. Pauley, United States District Judge of the United States District Court for the Southern District of New York (Judge Pauley), in Courtroom _____, of the United States District Courthouse, 500 Pearl Street, New York, New York 10007, to address whether a proposed settlement of claims against Defendants is fair and reasonable and should be approved.

If you do not choose to Opt-Out of the Settlement Class, you will be bound by the terms of this Settlement.

WHAT IS A CLASS ACTION?

A class action is a lawsuit in which the claims and rights of many people are decided in a single court proceeding. One or more representative plaintiffs, also known as “class representatives,” file a lawsuit asserting claims on behalf of the entire class.

WHAT IS THE PURPOSE OF THIS NOTICE?

Judge Pauley has ordered that this Notice be sent to you because you may be a Class Member. The purpose of this Notice is to inform you:

- Of your right to money under the Settlement;
- That the Settlement Class has been certified and that if you do not “opt-out” of the Settlement Class you will be bound by the terms of the Settlement Agreement and release your right to sue Defendants for unpaid wages, overtime compensation, tips and penalties during the time you were a Class Member;
- Of your right to “opt-out” of the Settlement Class, and not be bound by the Court’s judgment in this matter and the terms of the Settlement Agreement;
- Of your right to file objections to the Settlement.

WHAT IS THIS CASE ABOUT?

This action, commenced on or about January 17, 2008, is brought by former employees employed by Defendants, who filed this class/collective action lawsuit against Defendants in the United States District Court for the Southern District of New York, Civil Action No. 08 cv 443 (WHP) (the “Lawsuit”). The Lawsuit alleges Defendants violated federal and state labor laws governing the payment of minimum and/or overtime wages to tipped employees, subjected tipped employees to illegal pay deductions, retained employees’ tips, did not pay employees New York’s “spread of hours” premiums for workdays in which they worked more than ten (10) hours and did not pay tipped employees wages for all hours worked. Such laws include the federal Fair Labor Standards Act, 29 U.S.C. § 201, *et. seq.*, New York Labor Law §§ 191,193, 196-d,198-b, 650, *et. seq.*, 652, and 663 and relevant sections of N.Y. Comp. Codes R. & Regs. Specifically, the Complaint contends that Defendants: (1) did not pay employees wages for all hours worked, (2) illegally retained portions of employees’ tips, (3) subjected tipped employees to illegal pay deductions, (4) failed to pay their employees minimum and overtime wages, and (5) failed to pay New York State’s spread of hours premium.

Defendants have denied the allegations made in the Lawsuit and that they are liable for any of the claims asserted in the Lawsuit. Nonetheless, Defendants have agreed to enter this Settlement in order to obtain the conclusive and complete dismissal of the Lawsuit.

WHAT ARE THE TERMS OF THE SETTLEMENT AGREEMENT?

The parties have agreed to settle this matter for the total gross sum of nine hundred thousand dollars and no cents (\$900,000.00) (including attorneys’ fees and expenses, and enhancement fees for the two named plaintiffs, who played an integral part in the commencement and prosecution of the Lawsuit).

Monetary Payment

If the Settlement is given final approval by the Court, the maximum amount that Defendants will have to pay is \$900,000.00. If the Court also approves the payments set forth below, the following payments and expenses will be deducted from the nine hundred thousand dollars (\$900,000.00) prior to distribution of the settlement funds to the Class Members:

- Enhancement fees: If the Court approves such payment, Seven Thousand Five Hundred Dollars (\$7,500.00) will be paid out to Class Representative Anthony Baclaan and Five Thousand Dollars (\$5,000.00) to Adrienne Bricker. These payments are made because these individuals provided many hours of service to the class by helping Class Counsel formulate claims and by providing documents to support the case.
- Attorneys' Fees: Class Counsel will apply to the Court for attorneys' fees and costs in the amount of 33.33% of the total class recovery which amounts to Three Hundred Thousand Dollars (\$300,000.00). This amount will be requested pursuant to the Class Representatives' professional services agreement, and given the countless hours Class Counsel spent in pursuing this case on behalf of the Class Members, given the risks that Class Counsel took that no fees would be recovered, and given the result achieved for the Class Members.

If the Court approves these payments, after these deductions, the remaining Five Hundred Eighty Seven Thousand and Five Hundred Dollars and no cents (\$587,500.00) in settlement funds will be distributed according to the method set forth in the "How Will My Share Be Calculated" section, below.

Dismissal of Case and Release of Claims

In exchange for the payment set forth above, the Lawsuit will be dismissed with prejudice, and the Class Members will fully release and discharge Defendants from any claims for unpaid wages, tips, overtime pay, wage deductions, spread of hours violations and failure to maintain and furnish employees with proper wage records, and all other claims that were or could have been asserted in this lawsuit under the FLSA, or state wage and hours laws, up to and including the date of final court approval of the Settlement which is projected to occur on or about _____, 2008. **It is very important that you understand the terms of the Release. If you have any questions concerning the release of your claims against Defendants, or questions concerning the calculation of your shares of the settlement fund you may wish to contact Class Counsel regarding the scope of the Release.** When the claims for unpaid wages, failure to pay minimum wage, illegal retention of employees' tips, illegal deductions of employees' wages, and unpaid overtime, are dismissed with prejudice, that means the Court will not consider claims any further; in other words, the case is over. When claims are released, that means no one covered by the Release can sue Defendants over those claims.

WHAT ARE YOUR OPTIONS?

You have several options. Make sure you read this section carefully listed in this section.

1. Participate in the Settlement:

If you are a Class Member and do not opt-out of this Settlement, you will recover your share of the Settlement funds.

2. Opt-Out of the Settlement Class:

HOW WILL MY SHARE BE CALCULATED IF I PARTICIPATE?

Each Class Member will receive a share of the \$900,000.00 in Settlement Funds that remain after the deductions of the enhancement payments and attorney's fees and costs listed above (i.e., \$587,500.00). Your share will depend on the number of weeks you worked within the applicable class period.

Distribution Allocation and Examples of Recovery

Class Counsel will calculate your share as follows:

1. The Settlement Fund will be divided by the aggregate number of weeks worked by all of the individual Class Members within the Class Period ("Weekly Recovery Amount").
2. For each and every week that you worked for Defendants as a tipped employee, this number will be multiplied by the Weekly Recovery Amount.
3. Defendants will then subtract applicable payroll deductions.

If you remain in the Settlement Class, you will receive your pro-rata share of the \$587,500.00 based on the number of weeks you worked for Defendants as a tipped employee. For example, if your total weeks worked equaled 1% of the aggregate number of weeks worked by all of the Class Members, you would receive Five Thousand Eight Hundred and Seventy Five Dollars (\$5,875.00), subject to deductions for Attorneys' Fees and Enhancements Fees, as explained above.

In general, the longer you worked for Defendants, the more money you will receive. However, these are just examples to illustrate how the calculation formula might be used to distribute the Settlement Fund. The amount you will recover will change according to the number of Class Members who participate in the Settlement.

Uncashed Checks

You will have Ninety (90) calendar days after mailing by the Defendants' Counsel to cash your settlement check. If you do not cash your settlement check within the 90 day period, your settlement check will be void and a stop-payment will be placed. If this happens, Defendants will wait another two hundred and seventy five (275) days for you to request a replacement check.
